Gift Membership Form

Give someone special the enduring gift of land this year. By giving a **gift membership** to the Land Trust, you and your recipient can help preserve Door County's most beautiful, wild, and ecologically important places—for yourselves, for future generations, forever! A one-year gift membership to the Land Trust is a great way to honor your children, spouse, friends, and even co-workers or employees—anyone and everyone you know who loves Door County. Please fill in and mail the form below. We will send the recipient notice of your gift in an attractive Land Trust note card.

Along with the satisfaction of knowing they are making a difference in Door County's future, your recipient(s) will receive *Landings*, our journal of land preservation, a Land Trust decal for their vehicle, invitations to our events and hikes, and our sincere thanks. Gift memberships at the $100 or above level will also include a packet of beautiful note cards depicting Door County Land Trust preserves.

Please note: If your recipient is already a member of the Door County Land Trust, your gift membership will be treated as a gift made in their honor.
